

## AHS Cheer Parent/Cheerleader Expectations 2018 Season

Parents & Students:

It is the objective of the Alpharetta High School cheerleading program to build character and values that will be carried throughout the cheerleader's life. AHS Cheerleaders are expected to promote school spirit, set good examples of proper conduct and sportsmanship not only while in school but outside of school as well. We expect this from our families that are involved in our program as well. Fair & consistent guidelines must be observed so that these expectations can be taught and enforced.
